Hawaiian Airways	<p>4 May: Starting today, Maui County will require all trans-pacific travelers participating in the State of Hawaii Safe Travels program to take an additional rapid COVID-19 test upon arrival at Kahului Airport. The cost of the post-arrival rapid test will be covered by the County. Those who are fully vaccinated will be exempt from the post-arrival test, provided that they show their original CDC vaccination card or certificate of vaccination downloaded from the CDC's Vaccination Administration Management System (VAMS). Fully vaccinated means receiving both doses of the Pfizer or Moderna vaccines or one dose of Johnson &amp; Johnson vaccine, plus 15 days after your final dose. If someone in your party is not fully vaccinated or does not have a CDC vaccination card or certificate, pre-register for the post-arrival COVID-19 test here <a href="#">Opens external link to page that may not meet accessibility guidelines. Only one form is required per party.</a></p> <p>20 April: Starting May 11, individuals who have been fully vaccinated in the State of Hawaii may travel inter-island without pre-travel testing or quarantining starting the 15th day after the completion of their vaccination.</p> <p>20 January: The U.S. Centers for Disease Control and Prevention (CDC) has issued an order that goes into effect at 7:01 p.m. HST on Jan. 25, 2021 for all travelers flying to the U.S. from a foreign country.</p>	<a href="https://www.hawaiianairlines.com/coronavirus">https://www.hawaiianairlines.com/coronavirus</a>

Jetstar	<p>13 May 2021: The Federal Government has revised its anticipated timeline for the completion of Australia's vaccine rollout to end-2021 and its timeline for significantly reopening international borders to mid-2022. As a result, Jetstar will review its planned international flights from end-October 2021 to late December 2021 (excluding trans-Tasman). We will continue reviewing these plans in the lead up to December and provide further updates as circumstances evolve.</p> <p>4 May 2021: Jetstar has resumed international services between Australia and New Zealand, following the announcement of a quarantine free two-way travel bubble between the two countries. Jetstar has announced it will extend the suspension of international flights (excluding trans-Tasman and Pacific Islands) to the end of October 2021, in response to the ongoing Coronavirus (COVID-19) situation. In line with government requirements, from 9 January 2021 face masks must be worn on all Jetstar flights domestically in Australia and internationally. You'll need to wear a mask at the airport, at the boarding gate and throughout your flight, unless you're under 12 years old or have a medical condition that exempts you. Your mask needs to cover your mouth and nose. We recommend you bring your own mask to wear through the airport. Masks will also be available on board in your Fly Well pack.</p> <p>21 March: Jetstar has announced it will extend the suspension of international flights (excluding trans-Tasman and Pacific Islands) to the end of October 2021, in response to the ongoing Coronavirus (COVID-19) situation.</p>	<a href="https://www.jetstar.com/au/en/travel-alerts#International%20Flight%20Cancellations">https://www.jetstar.com/au/en/travel-alerts#International%20Flight%20Cancellations</a>
Korean Air	<p>10 May 2021: Penalties for Korean passengers who are confirmed positive without submitting a PCR negative confirmation.</p> <p>5 May 2021: Self-quarantine exemption for passengers entering Korea after completing vaccination in Korea.</p> <p>24 February 2021: All passengers (including re-entry foreign nationals) must submit a printed PCR test result (written in, or have a certified translation in English or Korean) within 72 hours of departure.</p>	<a href="https://www.koreanair.com/ph/en/travel-update/covid19">https://www.koreanair.com/ph/en/travel-update/covid19</a>
Nauru Airlines	18 March 2021: If you are travelling to Nauru, you will be required to undergo additional screening before departure and upon arrival in Nauru. In addition, in-flight screening may also take place. All persons arriving in Nauru are required to enter quarantine upon arrival for a period of 14 days in designated Government Transition Accommodation.	<a href="https://www.nauruair.com/travel-info/covid-19-update">https://www.nauruair.com/travel-info/covid-19-update</a>
Philippine Airlines	3 June 2021: Manila - Guam once a week (Sun). Guam - Manila once a week (Mon).	<a href="https://www.philippineairlines.com/en/ph/home/covid-19/reentryflights">https://www.philippineairlines.com/en/ph/home/covid-19/reentryflights</a>
Qantas	<p>25 May 2021: All Qantas international flights, excluding certain flights between Australia and New Zealand, are currently suspended, due to government restrictions.</p> <p>12 May 2021: The Federal Government has revised its anticipated timeline for the completion of Australia's vaccine rollout to end-2021 and its timeline for significantly reopening our international borders to mid-2022. In light of these two dates, we'll adjust our planned international flights from end-October to late December 2021. Our flights between Australia and New Zealand are unchanged. We remain optimistic that additional bubbles will open once Australia's vaccine rollout is complete to countries who, by then, are in a similar position, but it's difficult to predict which ones at this stage.</p>	<a href="https://www.qantas.com/ph/en/travel-info/travel-updates/coronavirus/qantas-international-network-changes.html?int_cam=ph%3Acoronavirus%3Aarticle%3Ainternational-flights%3Aen%3Aann">https://www.qantas.com/ph/en/travel-info/travel-updates/coronavirus/qantas-international-network-changes.html?int_cam=ph%3Acoronavirus%3Aarticle%3Ainternational-flights%3Aen%3Aann</a>
